Course Title	Pakistan Studies	Course Code	SS1015
Pre-requisite(s)		Credit Hrs.	2
Coordinators			
Course Instructors			

Course Objective	The objective of this course is to provide students with a comprehensive understanding of Pakistan's historical evolution, ideological roots, political development, socio-cultural diversity, and geographical importance. It aims to enhance awareness of the factors leading to the creation of Pakistan, analyze key phases of its political history, and understand the country's economic challenges, foreign relations, and contemporary issues. By studying Pakistan's society, culture, governance, and development processes, students will develop insightful perspectives on the nation's identity, strengths, and future prospects.
